

Large Townhouse with garage

We are pleased to offer this large townhouse in the popular village of Daya Nueva. The front of this property has a small garden area which leads into the large garage which is large enough for 3 cars and has a full bathroom installed along with a full kitchen with bbq area. From the garage area you have direct access into the property. On the ground floor you have a large entrance hall which has the staircase leading up to the first floor where the living area is located. The first floor boasts a large living / dining room with ...
