

Build your Dream Home!

Pilar de la Horadada

CM7787

Here we have a wonderful opportunity to build your dream home here in Spain. The plot for sale comes with option to build either one property, or split in two and build two individual properties. If building one property, you would be able to build a fully detached villa on a total of 545m2 plot, approx 150m2 build, spread out over one or two levels with private solarium and private swimming pool. The property would be built to each clients specifications. **Initial Build price of 520.000€** If you were to build two ... [ask for more details!] **(This Villa is a 120² build on a 272² plot.)**
